

Student Affidavit  
re: Travel Health and Safety

I have reviewed information about safety during travel abroad on the state department web site (<http://travel.state.gov/student-tips-brochure.html>).

I have reviewed the information about personal health, required immunizations and malaria prophylaxis for the region I will be traveling to on the CDC website ([www.cdc.gov/travel](http://www.cdc.gov/travel)).

I understand that it is my responsibility to get the necessary immunizations and malaria prophylaxis prior to departure.

I understand that my personal health insurance policy may or may not provide coverage while traveling abroad, and it is my responsibility to check with my health insurance company prior to travel to determine coverage in the event of an illness or injury while traveling abroad. Supplemental student insurance is available from several sources, including coverage for repatriation and emergency evacuation expenses. Students with UTMB insurance can check their coverage at [www.student-resources.net](http://www.student-resources.net).

By my signature below I attest that I have been given the above information.
